

The Ohio Mock Trial Competition is Friday, January 18, 2019 from 11:45 to 5:00 p.m. at Toledo Municipal Court.

We are especially in need of judges, magistrates and attorneys to help with the Mock Trial competition.

Training for judges and attorneys wanting to judge this year's competition will be held Tuesday, January 8, 2019 at the Toledo Bar Association. The training will be from 12:00 – 1:00 p.m. and will include lunch, a presentation of the new rules of procedure and a video reviewing the issues of this year's case. Everyone participating in the competition is asked to attend the training even if you have judged before. The case will be different and the scoring system is complicated.

We could also use volunteers to serve as alternates in case of a last minute cancellation from one of our judges. If you have any questions, please contact Lisa Small at 419-418-5310 or lsmall@toledobar.org.

Please complete the form below and fax or e-mail to the TBA by December 28, 2018.
